

When presented with the facts, registered voters overwhelmingly oppose ShotSpotter technology.

CAMPAIGN ZERO/YOUGOV POLL  
1,055 REGISTERED VOTERS  
NATIONWIDE  
JANUARY 2022

ShotSpotter,  
Inc.

84% of registered voters say technology from a private vendor should be **independently, scientifically validated** by a neutral third party.

By a 19 point margin, voters disapprove of ShotSpotter when told of its **inability to lead police to actionable evidence**.

When told **how much ShotSpotter costs**, urban area voters oppose ShotSpotter technology by a 15 point margin.
